GUESTS IN ROCHESTER

Mrs. Charles Keith of South Westport was a recent overnight guest of Mr. and Mrs. George Bettencourt of Hartley Road, Rochester. Also visiting at the Bettencourt home recently were Mr. and Mrs. Lindy Carreiro and Mrs. Joshua M. Geggatt, all of Bayside, Virginia.

WORDS..WORDS..I'M SO SICK OF WORDS

"I am not satisfied with conditions in Cuba 90 miles off our coast."

"I am not satisfied with the loss of prestige that this country has suffered."

You said it Mr. President.

"The news will be worse before it is better."

This adminstration has proved it.

"No one should doubt our resolution."

Except Nikita Khrushchev who obviously doubted and called the bluff.

While Eichmann is still on trial for war crimes among which is a proposed deal to swap a million people for 1,000 trucks, we now are urged by a committee appointed by the President to repeat history. In direct violation of an embargo on machinery and parts to Communist Cuba we are urged to buy and send to Castro 500 bulldozers and tractors in blackmail. This is perhaps the first time that bulldozers have been classed as farm implements. It would be interesting to know if these United States donated bulldozers and tractors will be used to build a complex of missile bases and military airfields aimed at the heart of the United States. We will certainly know at a future date.

RAYMOND C. HARTLEY SCHOLARSHIPS AWARDED

The executive board of the Rochester Woman's Club met at the clubhouse on Marion Road. Committee members of the program and scholarship committees were also asked to attend. Mrs. Fred Church presided.

Program plans were outlined for the new season 1961-62, and promise to be varied and different. Completion of these plans for the yearbook should be done at the June 5th meeting.

Final plans for the annual bazaar and smorgasbord will be made at the June meeting. The date for this event is Thursday, June 22nd.

Mrs. Timothy O'Brien, chairman of the Raymond C. Hartley Scholarship Fund, presented the letters of application from high school students for scholarships. Through the continued success of the community birthday calendar the Scholarship Committee will be able to award four scholarships this year to students planning higher education at a college or a nursing school. Students selected at the meeting to receive the awards are Miss Miriam Arenberg, $100, and the Misses Andrea Lee Doane, Marcia Doane and Rose Lopes, $50 each. They all attended Rochester Memorial School, Normandin Junior High School and will

graduate from New Bedford High School in June. Created in 1945 by the Woman's Club, the Scholarship Fund has benefitted twenty-two students. Mrs. O'Brien reminisced that for many years the money was raised through food sales, suppers and dances. Then the idea of the community birthday calendar was introduced for 1959 and the townspeople responded generously. It is a convenient reference for club meetings, school dates, birthdays and wedding anniversaries, and of course, the best part is that the proceeds help to further a young person's education. Word has been received that Miss Natalie Mendes who received an award in 1957 will graduate this June from the University of Massachusetts. Now attending college are the 1959 winners, Ruth Ann Kirby who is at the University of Massachusetts, and Henry Andrew Hartley who is at the State Teachers College at Bridgewater. In 1960, Logan R. Doane III received an award and is now a student at the University of Massachusetts. Also that year, Miss Lorna Walker who attends State College at Bridgewater. Mrs. O'Brien's committee this year were the Mmes. Fred Church, Everett Hardy, Greenwood Hartley, Sr., Ward Benner and Henry Smith. The Rochester Club also supports the Edith Harding Scholarship sponsored by the State Federation and the International Scholarship, a General Federation project.

Mrs. Church, the new president, urges that all members who plan to assist with the bazaar and supper attend the June 5th meeting.

To the Editor of the Presto Press

Recent press releases have indicated that the members of the Old Rochester School committee have "squandered $25,000." It would be appreciated if the following facts were presented to the citizens of the towns concerned:

1. The school committee of Mattapoisett awarded the contract and the transportation of students of the school to Mr. Edward Sylvia, who was not only legally the low bidder but who has also carried out the terms of the previous contract by serving many years in an efficient, cooperative, and far more important, accident free fashion.

2. The local school committee, (of which I am not a member), like the vast majority of the regional committee, felt and still feels that there is not a legal or equitable way of considering the various types of conditional bids with their "ifs and buts" and that the bids must be considered only upon the basis of strict compliance with specifications as issued by the committees.

3. Anyone saying or "sounding off" that either the local or the regional committee has wasted any tax money of the three towns knows that, when he is making that assertion, he is making an incorrect statement. In order to assure good and safe transportation for the school children of the State, irrespective of the financial condition of the community or the amount of the school bus contracts involved, the Commonwealth either pays for school transportation, on the local level for all but five dollars per pupil and 100 per cent reimbursement on the regional level with the exception of those pupils living closer than one mile and a half of the school.

4. Furthermore, many members of the committee felt that "money" should not come into the picture regarding these bus contracts. The specifications call for new 65-passenger buses or at least buses which are less than three years old. If we are "squandering money" to provide safety for school children, then I would love to learn the new definition of "squandering."

Guest speaker was Miss Lena Ware who spoke on the Casa Materna Orphanage and the Casa Mia settlement house, both in Naples, Italy. Miss Ware showed pictures and played a record of the choir of the combined groups. The federation voted a donation to both groups.

Attending from Rochester were Mrs. Hill, Mrs. Ethel Gary, Mrs, Katherine Hartley, Mrs. Barbara Hartley, Mrs. Royal Haskell, Mrs. William Warburton, Mrs. Phillips and Mrs. Kenneth Winslow, delegate, who also assisted the Fellowship.

"OPERATION ABOLITION" IN MATTAPOISETT

The motion picture documentary "Operation Abolition" which depicts the vicious subversion of West Coast college students by United States Communist leaders is to be shown in Mattapoisett on Sunday night, June 4th, at 8 o'clock at the Friend's Meeting House. This picture was made by piecing together actual news film made on the spot at the San Francisco Un-American Activities Committee hearings. It shows so clearly how United States college students were manipulated into a law defying mob that it has been under constant attack by Communist leaders and their dupes in the United States. Dave Hope, writing in the Oakland Tribune of January 25, 1961, sums the picture up in these words: "From the audience reaction (to the film) I would say

that it is extremely effective and that is why extraordinary effort is made to discredit it. Few people have seen Communists in action. Here they are shown when called before the hearing, screaming imprecations, insults and contempt at a committee of the United States Congress. Almost maniacal in their challenge to law and order, they present an ugly picture that cannot be described in words but becomes all too vivid in the film. For those who took part in the riot and their apologists, the film is just too accurate, too revealing. That is why it is so bitterly attacked."

This film is an education in Communist method and Communist bold defiance of our law using United States young people as their tool. See it, then make up your own mind as to why it is controversial.

MORE ABOUT THE MATHEMATICS WORKSHOP

Several questions have been asked concerning the proposed Summer Workshop in Mathematics. To answer these questions we offer the following tentative plans.

A six weeks course is planned, beginning on Monday, July 10th and ending on Friday, August 18th. The work will cover all basic topics from the 4th through the 9th grade levels. In order to discover the needs of the individual pupils, a placement test will be offered prior to the opening class, probably on Thursday, July 6th, or Friday, July 7th. It is expected that there will be two morning sessions of one and one half hours each, Monday through Friday, at 8:30 to 10:00 and 10:30 to 12:00 o'clock.

Through the cooperation of the Florence Eastman American Legion Post we will be able to use the Legion Hall on Depot St., Mattapoisett. Transportation is, of course the responsibility of the parents, but it is suggested that a car pool for Marion pupils might be arranged.

Classes will be limited, but by having two morning sessions we expect to be able to accept all interested persons. If you plan to enroll any pupils for either session, please fill out the blank form below.

Thank you for your interest,

Mr. Weigel is with the United States Coast Guard, stationed in Chatham.

Mrs. Weigel was honored with a surprise wedding shower Thursday evening at the Rochester Woman's Club which was decorated for the occasion with yellow and white crepe paper streamers, wedding bells, lavender and white lilacs and apple blossoms. The guest of honor was seated in a specially decorated chair to open the many lovely gifts she received.

The buffet table was decorated with lilacs and apple blossoms, and the centerpiece was a three-tiered wedding cake, beautifully decorated and topped with a bride and groom. The cake was made by Mrs. Douglas H. Church. Mrs. Arthur Tripp, Jr., poured coffee, and Mrs. John Savastano and Mrs. McGuire served the punch with refreshments of assorted sandwiches, cakes and brownies.

Hostesses for the party were Mrs. Church, Mrs. Tripp, Mrs. Julien Weigel, Jr., Mrs. Kenneth Hathaway, Mrs. Alexander Thomson and Mrs. Walter Pierce, all of Rochester; Mrs. Savastano, Mrs. McGuire, Mrs. Edward Tamagini, Mrs. Harry Rhodes and Mrs. Franklin Cannon, all of Wareham. About 125 guests were present from Rochester, West Wareham, Marion, Attleboro, Bridgewater, Brockton, Boston, Framingham, Holliston, Wayland, New Bedford, East Freetown and Warwick, Rhode Island.
